

I BID YOU GOODNIGHT

Lay down my dear brother, lay down and take your rest
I want to lay your head upon your savior's breast
I love you, but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnight, goodnight, goodnight

Lay down my dear brother, lay down and take your rest
I want to lay your head upon your savior's breast
I love you, but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnight, goodnight, goodnight

One of these mornings bright and early and soon, goodnight
Now they're pickin' up the spirit to the shore beyond, goodnight

Go walking in the valley of the shadow of death, goodnight
He's riding a staff, gonna comfort me, goodnight
Join the wise, sing a song and say, goodnight
Lord send a fire, not a flood next time, goodnight
I remember rather well, I remember right well, goodnight
I went walking to Jerusalem just like John
Goodnight, goodnight, goodnight

Lay down my dear brother, lay down and take your rest
I wanna lay your head upon your saviors breast
I love you, but Jesus loves you best
I bid you goodnight, goodnight, goodnight
I bid you goodnight, goodnight, goodnight
