

I'm Gonna Wait on the Lord

I'm gonna wait on the Lord
I'm gonna wait on the Lord
I'm gonna wait on the Lord
Till He comes.
I know he's coming soon
Maybe morning, night or noon.
I'm gonna wait right here till He comes,
Till he comes.

X 2 drums second time

He went to prepare a place for me
(Wait right here till he comes, till He comes)
And in His Presence one day I'll be
(Wait right here till he comes, till he comes)
He's coming like a thief and a robber by night
(Wait right here till he comes, till he comes)
I'm patiently waiting to behold his sight
(Wait right here till he comes, till he comes)

Doo doo doo, doo doo doo (piano comes in)

On the Mount of Olives His feet will stand
(Wait right here till he comes, till he comes)
When He returns to the Promised Land
(Wait right here till he comes, till he comes)
As he comes back every eye will see
(Wait right here till he comes, till he comes)
He'll swallow up death in victory
(Wait right here till he comes, till he comes)
