

I Wish I Knew How It Would Feel to Be Free

I wish I knew how it would feel to be free.
I wish I could break all the chains holdin' me.
Well, I wish I could say all the things that I should say
Say 'em loud, say 'em clear, for the whole wide world to hear

I wish I could share all the love that's in my heart,
And remove all the bars that keep us apart.
And I wish you could know how it feels to be me,
Then you'll see and agree that everyone should be free.

I wish I could give all I'm longing to give,
And I wish I could live like I'm longing to live.
I wish I could do all the things that I can do.
Though I'm way overdue I'd be starting anew.

I wish I could be like a bird in the sky
And how sweet it would be if I found out I could fly
I would soar to the sun and look down at the sea
And I sing because I know,
And I sing because I know,
And I sing because I know,
How it feels, how it feels
How it feels to be free.
